

1 Day Mabamba Swamp for the rare shoebill

Mabamba swamp is the nearest place to meet the historical and incomparable Shoebill in Uganda and probably the best place to find the bird in the world after Murchison Falls National Park of Uganda.

7:00am, After breakfast, your birding experience to the Mabamba Swamps will start. Birding here is done canoeing on a big scale if you are to see the Shoebill. A variety of species for your eyes to catch sight of might include; The elusive Shoebill, Papyrus Gonolek, White-faced Whistling-duck, Fulvous Whistling Duck, Goliath Heron, Purple Heron, Common Squacco Heron, long-toed Plover, African water Rail, Grey and Black Headed Herons, Striated Heron, Pygmy Goose, Yellow Billed Duck, Black Crake, Swamp Moorhen, Allen's Gallinule, African Jacana, Rufous-naped Lark, Flappet Lark, Mosque Swallow (*monteiri* race), Weyn's Weaver, White Shouldered Tit, Sand Martin, Brown Snake-Eagle, Eurasian Hobby, Tropicall Boubou, Stripped Kingfisher, Common Stonechat, Little bee-eater, Red-chested Cuckoo, Klass's Cuckoo, Diedrick Cuckoo, White-browed and the Senagal Coucals, Yellow-rumped Tinkerbird, Yellow white-eye, common and black-capped Waxbill and over a hundred other bird species are a must see for a hard core or lucky birder. There is also the Sitatunga, a swamp antelope and on a lucky day it will be seen.

End of Mabamba Swamp birding excursion.
